

ALLOWS YOU TO PAY WATER/SEWER BILLS AUTOMATICALLY!

The Livingston County Water & Sewer Authority is pleased to offer a Direct Pay Service which allows you to enjoy the convenience of paying your water/sewer bills automatically.

Direct Pay ensures that your payments are automatically deducted from your bank account on the billed due date at no additional charge. If a bill is due on a weekend or holiday, the deduction will occur on the next business day. This way your bill will always be paid on time, even when you're vacationing or away on business!

No check.....no stamp.....no envelope!

You will still receive your bill in the mail for your review and records. The electronic deduction from your bank account will appear on your bank statement. If you have questions about your bill, you can still call our billing office before the deduction is made. An adequate balance must be maintained in your bank account to cover your water/sewer bill. If it is not, you may be charged for insufficient funds.

It's easy to do!

Complete the form below, enclose a voided check from your bank account **and return it to: LCWSA, P.O. Box 396, Lakeville, NY 14480.** If you have any **questions** call **585-346-3523.**

The Direct Pay Service will be **effective** approximately **10 days** after submission to our office.

Your account MUST be current to participate in this service. If you have multiple accounts, please send a separate form for each account.
