# LCWSA Water and Sewer Service Permit Sketch

**Street Address:** \_\_\_\_\_

This form shall be used unless Site/Utility Plans have been prepared for the proposed Construction

Please provide an accurate sketch of the proposed work including: description of work to be done (pipe diameter, material, and length etc.); Location of site features (utility poles, hydrants, manholes, valves, overhead and underground utilities, buildings, driveways, curbs, sidewalks, retaining walls etc.)

A large grid area for sketching the proposed work, consisting of 30 columns and 25 rows of small squares.
